Cold Type Doesn't Tingle with Enthusiasm

Like a human being, when the point of our pencil comes in contact with the paper, the magnetic current is shut off and you read a cold black and white statement of our offerings, which does not begin to convey to your mind the actual honesty, beauty or worth of the article written about.

Please remember this when you read our ads, and bear in mind that the merchandise itself is far above the printed description of it.

THE ARMENIAN

Revolutionists Will Wait Perhaps a Month

For the European Powers to Take Action on the Turkish Question.

They Profess to Have No Knowledge of the Lines of the Next Upheaval, But Say It Will Be Terrible—Constantinople May Be Burned.

LONDON, Oct. 5.—The Daily News Monday publishes an interview had by its correspondent in Geneva with Garo and Hach, two of the leaders of the Armenian refugees. They give a graphic description of the recent outbreak in Constantinople and declare that the revolutionary committee in Constantinople would wait for perhaps a month to see whether the powers would act; if they did not the committee asking whether they would keep their promises. They professed to have no knowledge of the precise lines of the next upheaval, if such action was necessary, but said it would be terrible. They repudiated any animosity against the Turkish nation, saying that they warred only against the government. When it was proposed last August to set fire to Constantinople, they had rejected the proposal because it would have been cruel. They had supported the plan to attack the Imperial Ottoman bank in preference to doing anything that would cause suffering to the residents of Constantinople. They added that they would not hesitate to kill soldiers and policemen, but they would not injure peaceable people. The government, they significantly said, might reflect on the scheme for the burning of Constantinople that it might have been more easily effected than the capture of the Ottoman bank. The city was built of wood and could be quickly destroyed.

A FAILURE.

Gen. Weyler's Campaign in Western Cuba Against Gen. Maceo.

NEW YORK, Oct. 5.—A special dispatch to the Herald from Havana, Cuba, October 3, via Key West, Fla., says:

Capt. Gen. Weyler's initial operations inaugurating the campaign in the extreme west intended to trap Maceo, or defeat and drive him east have proved a failure.

Gen. Melguizo, who as military governor of Pinar del Rio, was delegated by the captain-general to start the ball, has been defeated in three successive engagements with Maceo in the mountains of Pinar del Rio, where the combined columns of Co's. Francis and Hernandez attacked the rebel positions. Those columns suffered tremendously and were compelled to retreat to the coast.

The news fell like a bomb shell in the palace. The captain-general will not even permit the Havana representatives of the Madrid paper to wire the facts, and he gave strict orders to the press censor and post office officials to use every effort to prevent the news of the failure of his plans from getting out.

The editor of El Diario del Ejercito, the army organ, whose paper is seldom, if ever, censured, daring to print a few details, was called to the palace by the captain-general and severely reprimanded.

LOCOMOTIVE EXPLODES.

The Engineer, Fireman and Five Tramps Killed.

TOPEKA, Kan., Oct. 5.—The California eastbound passenger train No. 2 was wrecked near Peterson, about thirty miles west of Topeka, Sunday morning, by the explosion of the engine boiler. Engineer Geo. Strunk and Fireman O. Hollister, and five tramps riding on the platform of the mail and express cars or on trucks were killed. No passengers or other trainmen were injured, but one passenger from California for Chicago named W. A. Becker, after viewing the wreck and dead bodies, returned to his berth and shot himself in the head, dying instantly.

Bryan Goes to Memphis.

ST. LOUIS, Mo., Oct. 5.—After a day of complete rest here, Wm. J. Bryan departed Sunday evening for Memphis, Tenn., where he makes a speech Monday. A committee of Memphis citizens, consisting of John Overton, Jr., J. R. Godwin, R. A. Odum, G. T. Fitzhugh and Wm. H. Carroll, is in the city and will act as an escort to Mr. Bryan on the trip south. Mr. Carroll is chairman of the state democratic central committee of Tennessee. Congressman McMillin, of Tennessee, will remain with Mr. Bryan during his stay in Tennessee. A busy tour is mapped out for Monday and Tuesday.

McKinley Has a Quiet Sunday.

CANTON, O., Oct. 5.—Maj. McKinley went to church Sunday morning to hear Dr. Marchester, his new pastor. Sunday afternoon he took a drive and enjoyed the beautiful October air and sunshine. He was thoroughly rested Sunday and feels in no wise fatigued by his great day of speech making Saturday. Maj. McKinley thinks Saturday was the most remarkable day of the campaign. The history of American politics offers no parallel for it. The delegations reached high water mark and never before were so many lines of human activity represented.
